Clean and Safe Team

They are the feet on the street and the eyes and ears of the Vista. They provide clean, safe and hospitality services for businesses, residents and visitors and are 100% City of Columbia Hospitality Tax funded.

The Clean and Safe Team work hard every day and continue to come up with numerous ideas to help pedestrian safety, find proper services for our city's homeless population when possible and ways to improve the Vista.

"I love what I do, and I enjoy who I work for and who I work with. I have a lot of pride for the cleanliness and appearance of the Vista."
